

Primary Formulary

The 2023 BeneCard Primary Formulary is listed below. It is a list of the most commonly prescribed drugs. It represents an abbreviated version of the drug list (formulary). It is subject to change at any time. Inclusion on this list does not guarantee coverage. Coverage is based on your specific benefit plan.	KEY: Brand name drugs are listed in CAPITAL letters. Example: ALREX. Generic drugs are listed in lower-case letters. Example: albuterol	Generic medications contain the same active ingredients as their corresponding brand name medications, though they may appear different in shape and color. They have been FDA-approved under strict standards.
