NJSLA - Why We Test?

Statewide assessment

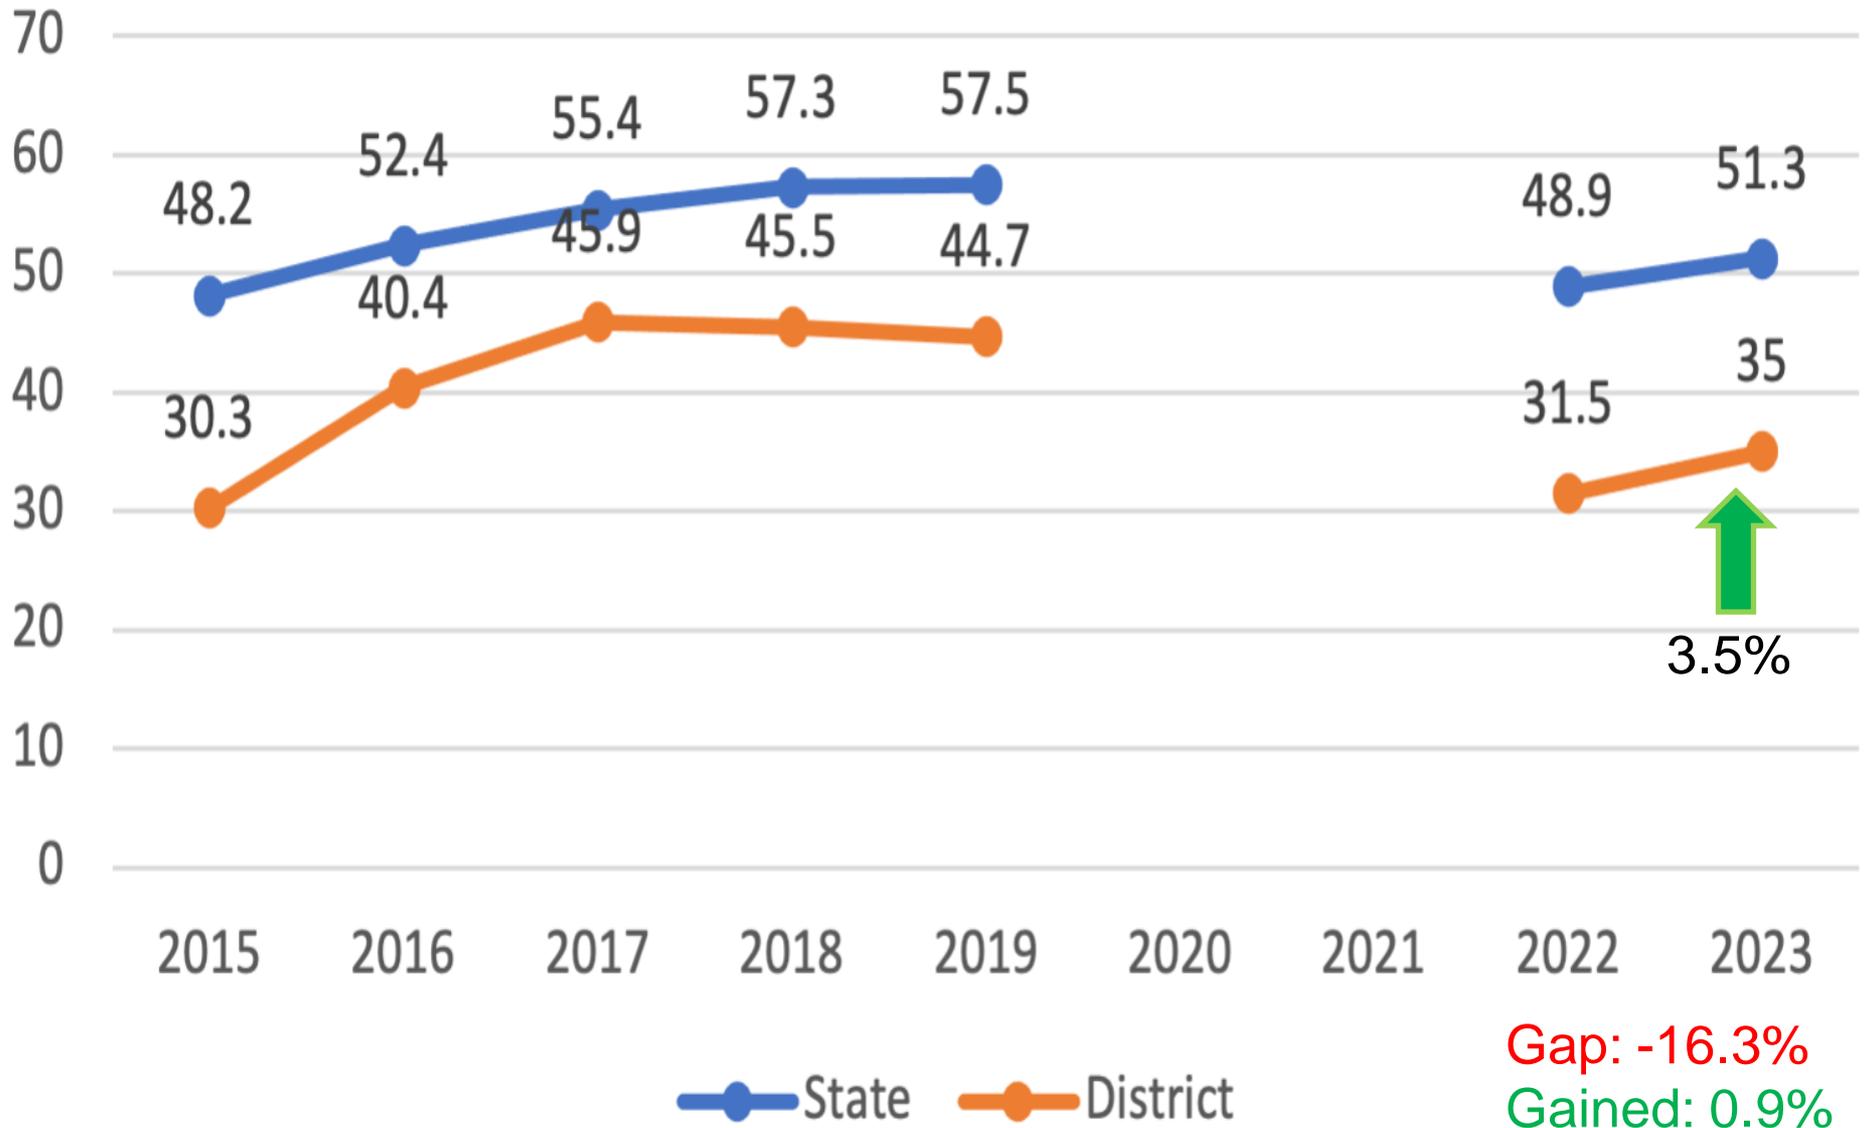

Measures student proficiency

Assess students' annual progress

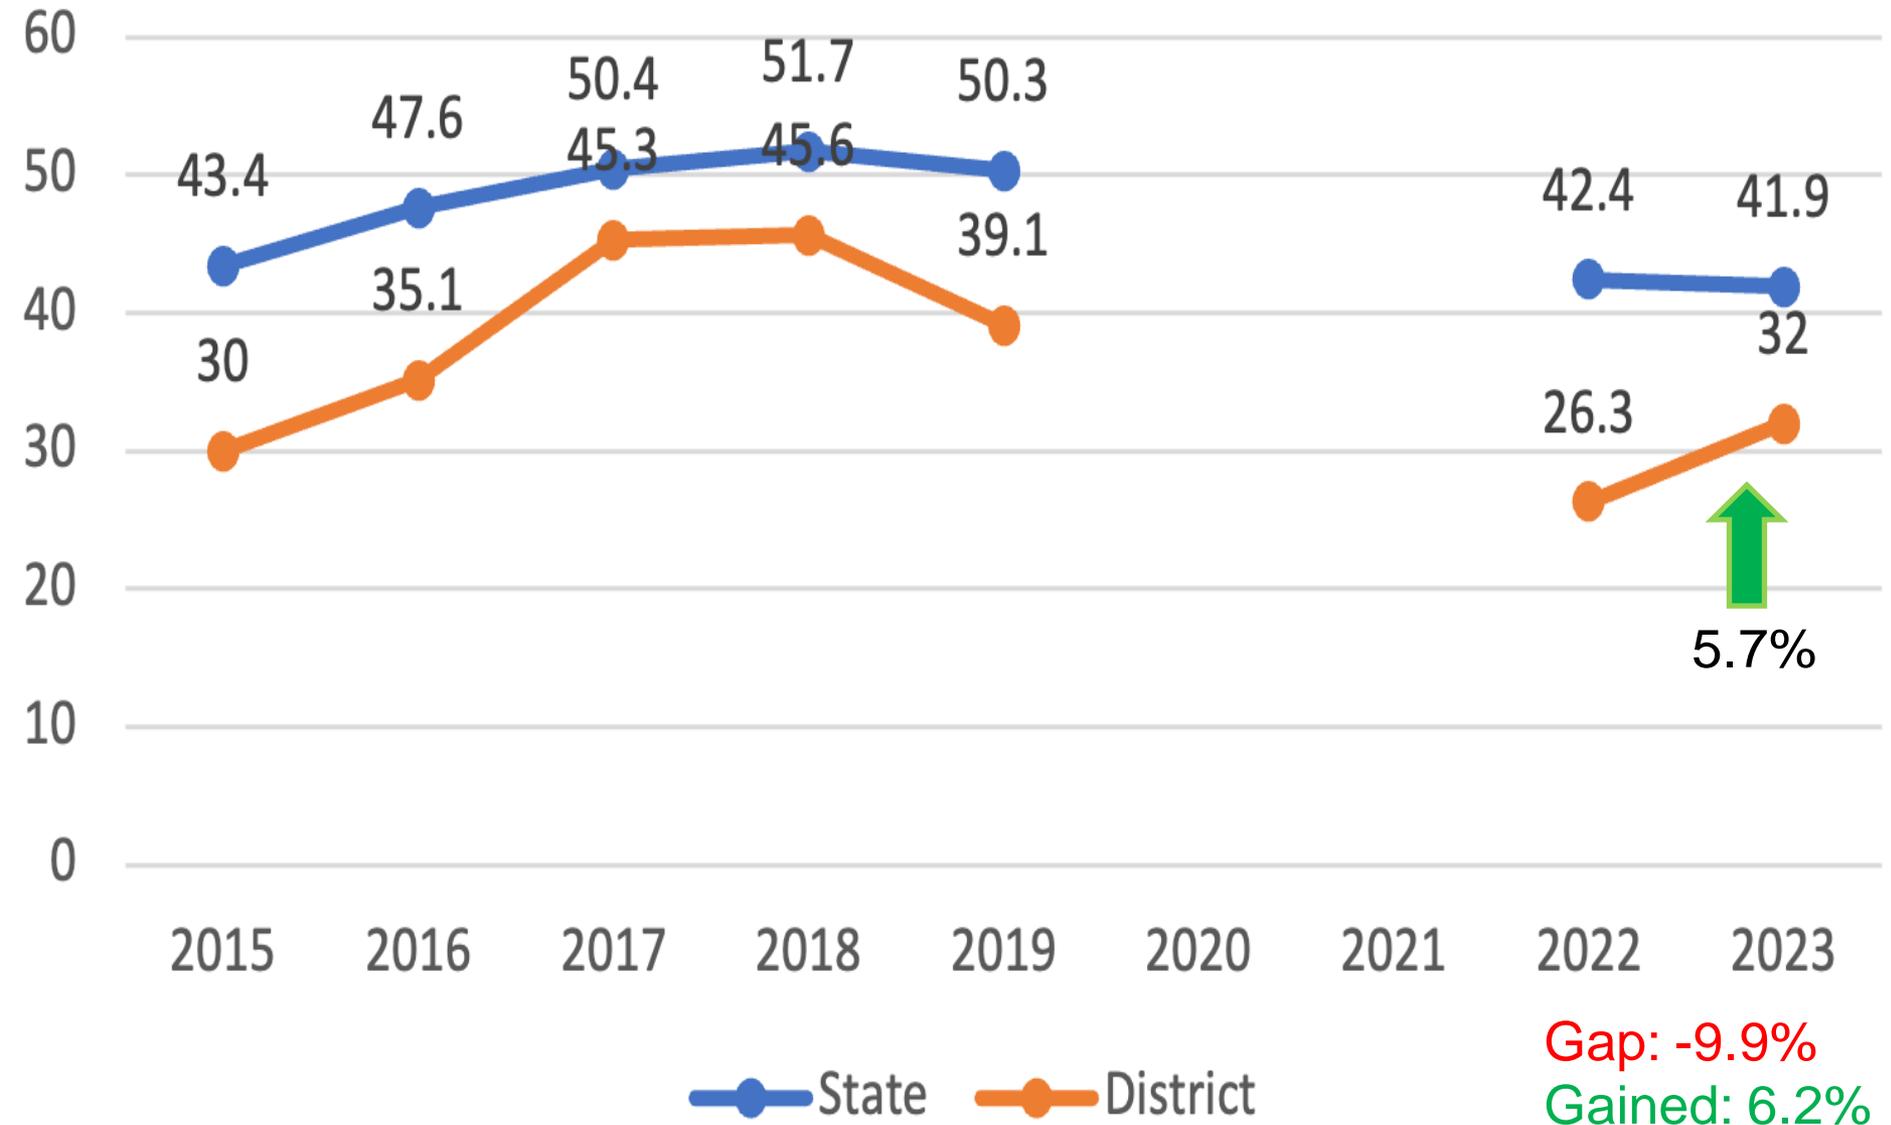

Identify strengths and weaknesses

Sets baselines for target instruction

Performance Levels

1. Emerging

2. Approaching the target

3. At Target

4. Advanced

Designed for students with severe cognitive disabilities

Assessed in ELA, Math, and Science (Grades 5 and 8)

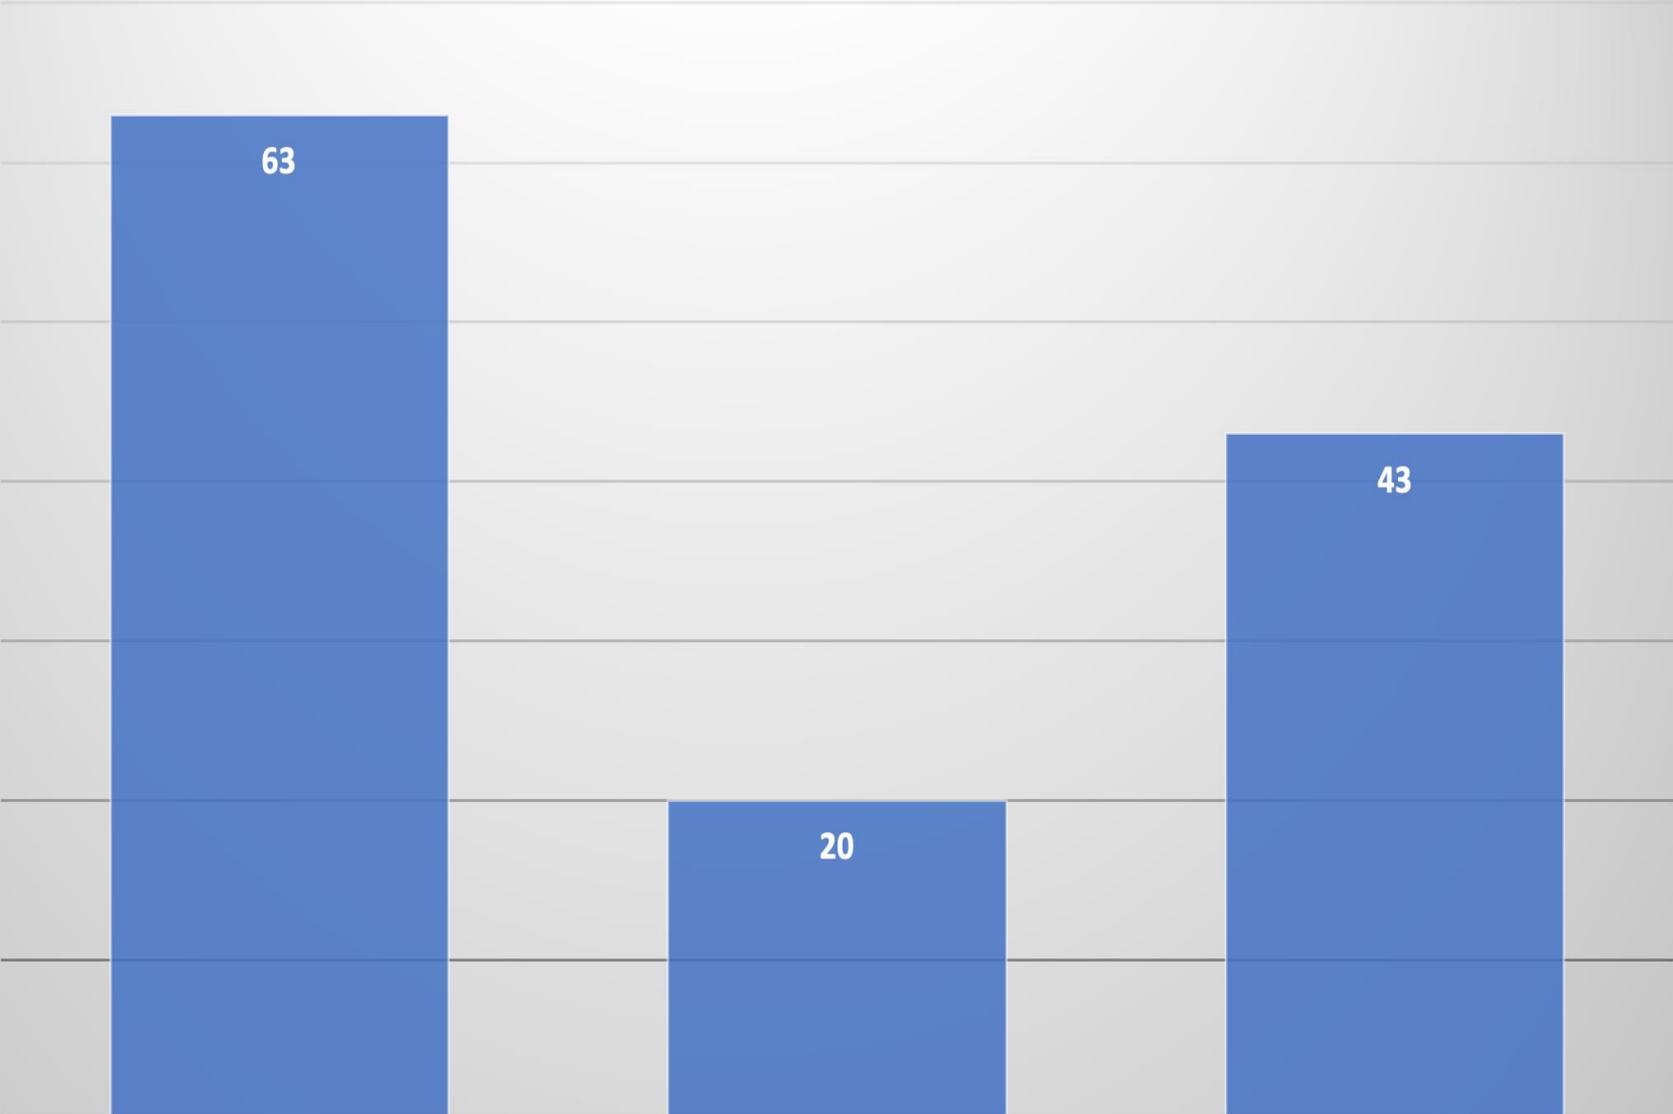

Administered one-on-one

– Individualized test designed for students to show what they know and can do

– Adaptive Test

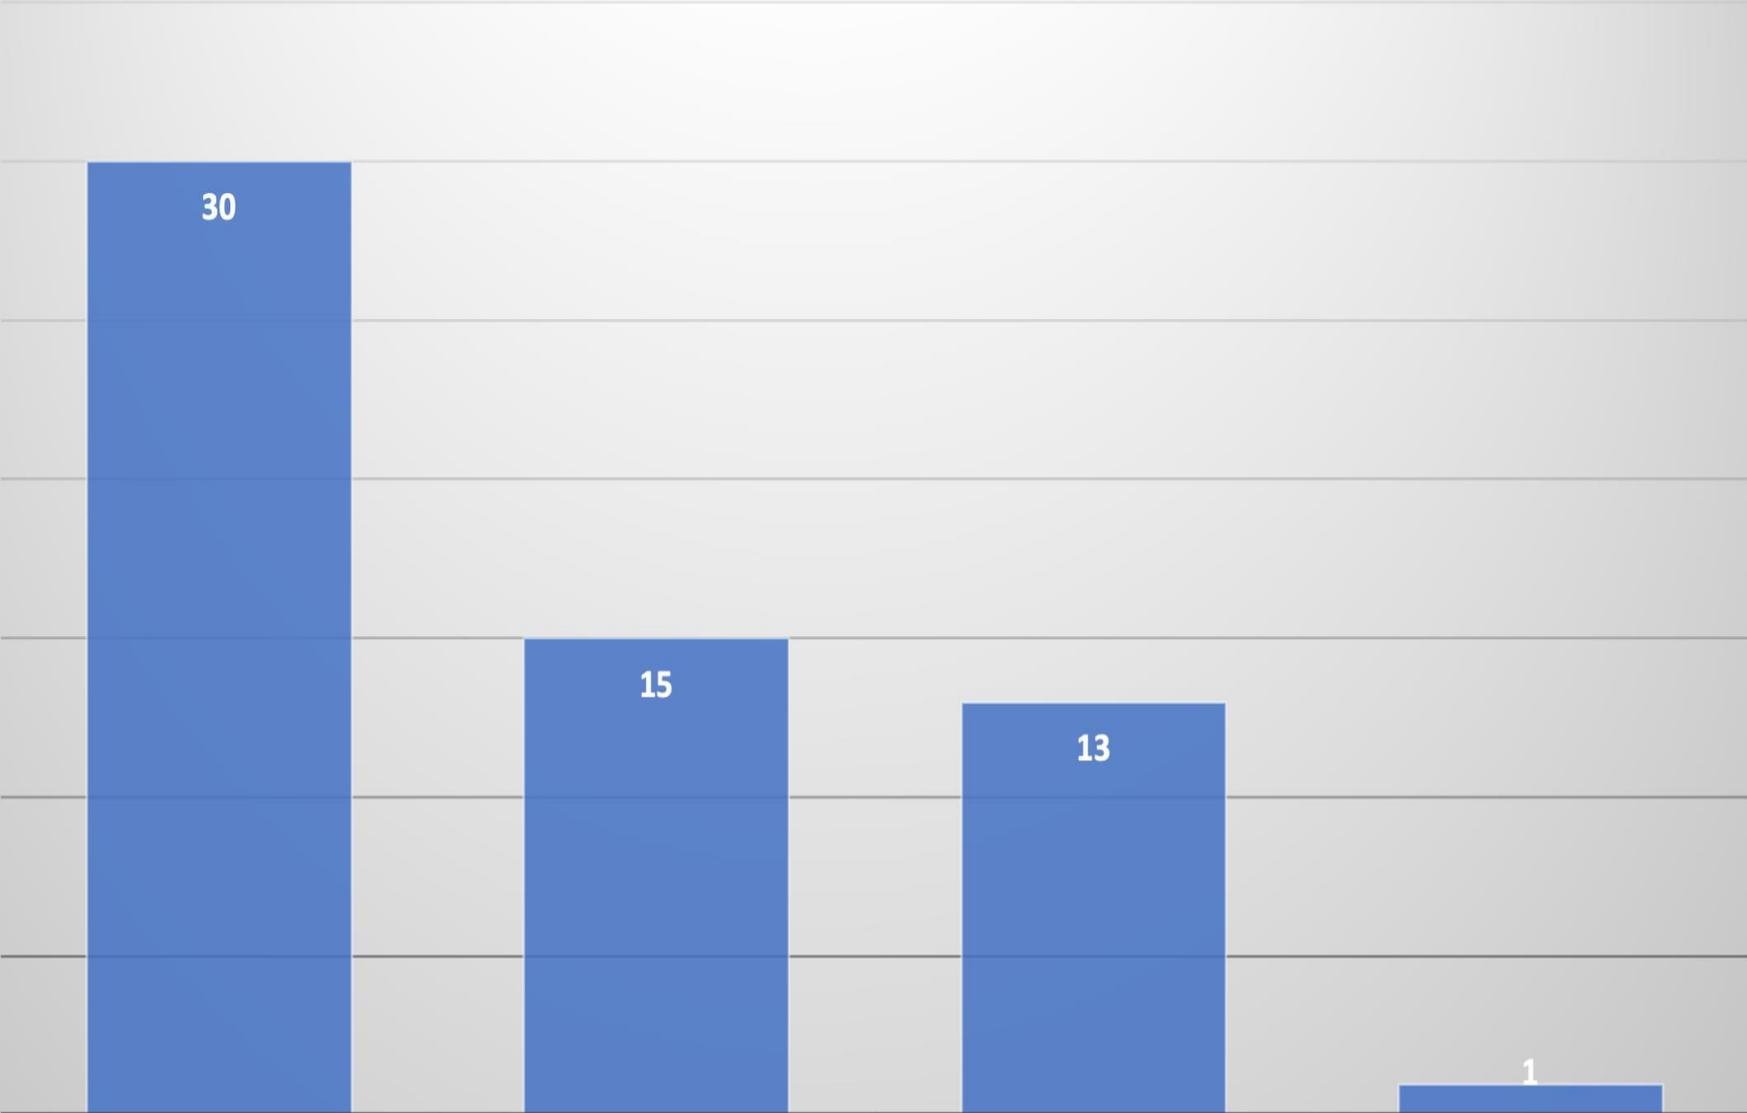

Assessment given in chunks called testlets for sustainable student engagement
