Board Member Comments/New Business:

Mr. Topoleski said that he and Mr. Alvarez attended the Administrator workshop where the results of the student survey on suicide were discussed. He said that Linden is in the normal range.

Mr. Russell spoke about company ads in the schools to raise money. He read in the newspaper where one town brought in over \$30,000.00 in revenue through its advertising program while another brought in \$20,000.00. The Pine Belt Center in Toms River will be receiving over \$500,000.00 within the next five years. Mr. Russell feels that this issue should be revisited to help defray costs.

Comments from the Public:

Lakhia Carter

35 E. Elizabeth Avenue

Very disappointed in the turn her daughter's education has taken. She has been in the Gifted in Talented program since first grade and has excelled. In fourth grade Ms. Carter paid for a private tutor as this was one year that she did not achieve as well. She becomes nervous before taking a test and that nervousness affects her test taking. Ms. Carter feels that Ariana should be in all accelerated classes in Soehl.

Dr. Tomazic replied that the accelerated courses are unlike the G&T classes. Criteria is different. Dr. Tomazic said he would speak to her in private about this situation.

Krystyna Jaskowski
10 Penn Place

Has concerns about the resource room and special education. Her son is entering the fifth grade and has had five different resource room teachers since second grade. She feels the lack of consistency is hurting her child.

At 6:55 p.m. Mr. Topoleski made a motion to go into Executive Session to discuss personnel, litigation and negotiation issues, seconded by Mr. Russell. Voice vote was unanimous.

There being no further business to discuss, Mr. Topoleski made a motion at 7:55 p.m. to return to Public Session, seconded by Mrs. Ormon. Voice vote was unanimous.

Immediately upon return to Public Session, motion was made by Mr. Topoleski to adjourn, seconded by Mrs. Ormon. Voice vote was unanimous.
