Mr. Topoleski: The three bills that legislature passed that affected us were vetoed by the governor.

UCSBA:

Mrs. Beviano: Absent.

UCESC:

Mrs. Ormon: No report at this time.

Unfinished Business:

None.

Board Member Comments/New Business:

Mr. Topoleski: He stopped by the administrators' meeting today because he knew they would be receiving their new AirBooks and he wanted to get a peek at them. He believes the Board will be receiving AirBooks shortly so that we can maintain a "paperless" board meeting. We should be able to test run in September.

Mrs. Ormon: Thanked Dr. Robertozzi for working with the Union County Spectrum All Star Bowling Team this year. He provided Lori Gonzalez and Joanne Fruciano with a list of the children that are on the autism spectrum to participate in a bowling league. There were fourteen children that came in consistently to bowl. She invited all board members to come in September when the league resumes to come and watch our children at their best.

Comments from the Public:

George Doney
132 Irene Street

Mr. Doney asked Dr. Robertozzi what sort of a property tax decrease can the taxpayers look forward to come the November budget. Dr. Robertozzi answered that he cannot promise anything, but if he looks at our history for the last five years, and looks at that big pie made up of the municipal budget, the board of education budget and the county budget, you will see that our piece of the pie has shrunk each year.

Paul Schappe
315 Second Avenue

He feels all board members should visit Trenton to solicit more funds for the Linden Public Schools. The buildings are old and Linden needs to move forward.

There being no further business to discuss, Mrs. Hudak made a motion to adjourn at 7:20 p.m., seconded by Mrs. Ormon. Voice vote was unanimous.
