Motion 1 Carried.

UCESC Delegate:

Mrs. Johnson gave a brief report on the last meeting.

Mr. Martucci spoke about State Aid and how last year aid was cut to many cities. These cities now have to either cut money from their budgets or cut teachers and programs. We are very fortunate that we are not one of those cities.

Comments from the Public:

Eileen Martinko  
329 E. Price Street

Ms. Martinko said she is a Pomptonian Food Service worker, and has been for over 21 years. She said she and her fellow co-workers would like to form a union and they would like the Board's support. Mr. Vidovich of Pomptonian already told them they would have to take the matter up with the National Labor Relations Board.

Romina Cannon  
210 E. Linden Avenue

She was wondering why the district can't afford to buy the children textbooks. Her child's science teacher told the students that if they wanted to use a book they would have to sign it out and return it again. Mrs. Goldstein was in attendance and answered that all material is online. There are no textbooks per say, but they use the materials that are provided in the science kits.

Ms. Cannon also spoke about the kids drinking and smoking in the bathrooms at McManus. Mr. Martucci said that there is a chain of command. First she needs to contact the principal. If the principal does not respond, she should contact the superintendent. If it is not straightened out by the superintendent, then it goes to the board.

Fadwa Sumrein  
300 W. Morris Avenue

Ms. Sumrein spoke about the behavioral and substance abuse issues in the schools. She does not want her daughter exposed to these things at the age of 12. Again, Mr. Martucci spoke about the chain of command. Ms. Sumrein then said that in the cafeteria, a bottle of water is more expensive than a Snapple. We're trying to teach our kids to be healthy and this does not help.

Sonia Armstead-Pittman  
1030 Clark Street

Her daughter has been struggling academically for the last few years. She has fought to get her extra help; however, she was told that her daughter was not low enough academically to get extra help. In third grade she got help, but this year again, she is not low enough to get help. There is only one Title I teacher at School #1 and not enough resources. Mr. Martucci asked her to give her name and contact information to Mr. Walters and he would look into it.

Eloy Delgado, LEA President  
842 Grove Street  
Elizabeth

Congratulations to Mr. Rivas. He is looking forward to working together. The LEA started off in January having three FAST events. Overall, there were 500 parents at the three events.

Board Member Comments:

Mr. Shehata shared congratulations to all retirees, especially Mrs. Goldstein, one of his favorite people. Also, at the basketball game on Tuesday there will be a lot of police. Please be safe and don't do anything you might regret.

Mr. Rivas thanked everyone for coming. He said he took notes on all of the public comments and will be looking to follow up. He's still in the learning stage but would like to offer his commitment to serving on the board. He also congratulated all of the retiring teachers.

Mrs. Manganello offered her condolences to the family of Walter Wietrzykowski and congratulations to the retirees.

Mrs. Birch also extended condolences to the Wietrzykowski family. Congratulations to all of our retirees. She attended many events throughout the district and she is very proud of our students.

Mrs. Birch then read a statement of issues that she felt needed to be addressed. She said questions were asked of her regarding items that were on the Organization Meeting Agenda. She did not have answers as these items were not discussed ahead of time among the Board Members. The Mayor asked the Board to work together in the best interest of our children; however, when the committee list came out, it was clear that they were not going to be working together. In the past the President would ask the Board Members which committees they would be interested in serving on. That did not happen. Some members were put on three and four committees, while others were put on one. She said she is confused why anyone would alienate someone who is pretty much the senior Board Member on the Board, who goes to training outside of mandated training, and attends just about every single meeting.

When she asks about committee reports she's told nothing was discussed, and if she doesn't question it, then nothing is said. She has also asked to have agenda item comments from the public brought back to our Order of Business, to no avail. To the public: "You weren't heard". She hears you and will continue to hear you and she will continue to represent you because that's what she was elected to do. She will not be voting on committee reports that are not discussed from now on. She will not be voting in favor of a three-person committee for some outside person to hire our new superintendent because this is one of the most important jobs the Board has to do. It should be done by all of us, not just three people. All of the commissioners sitting on this dais took an oath on January 2<sup>nd</sup> regarding the School Code of Ethics, and with that, she challenged every Board Member, especially those who seem to be on the other side, to be true and abide by this code of ethics for the betterment of the Board of Education, for the City of Linden, and most importantly, for our children who are our future.

Ms. Kozak extended her condolences to the Wietrzykowski family and her congratulations to the retirees.

Ms. Johnson congratulated the retirees, and said that as she's also retiring as of tomorrow, January 31<sup>st</sup>, she will be doing more volunteer work.

Mr. Gargano shared his condolences with the Wietrzykowski family and said he hopes there are more teachers like him going forward in the future.

Ms. Guillaume thanked everyone for coming out tonight and thanked the parents for voicing their opinions. She is sure that they will be able to address their concerns. She also thanked the detectives for coming out to speak. She reminded everyone that next month we will be celebrating Black History Month. We will be having another presentation as we did last year. She invited all Board Members and parents to participate. Also, thank you to the retirees for their service

Mr. Walters thanked the Board for making him feel welcome.

Mr. Martucci reminded the parents who spoke tonight to give their names and contact information to Mr. Walters

There being no further business to discuss, Ms. Kozak made a motion at 8:05 p.m. to adjourn, seconded by Mr. Shehata. Voice vote was unanimous.
