Dear Dr. Hazelton,

It is a pleasure to extend my warmest acknowledgment of the beginning of a new year at Linden Public Schools. After a year disrupted by the COVID-19 pandemic may the start of this school year be filled with new beginnings, excitement, and a return to a sense of normalcy.

Your teachers, staff, and students have overcome numerous obstacles over the past year, but are no doubt more resilient because of it. I wish you all the best of luck and look forward to a successful school year.

Sincerely,
