Craig Halloran
120 Donaldson Place

Mr. Halloran asked about Finance Report, page 66, item # 22. He asked if the services are needed or not.

Dr. Tomazic said that the services are needed.

Jessica Defice – Social Worker at Soehl M. S.
1425 Valley Drive
Wall, NJ

Ms. Defice spoke about the need for the Dean of Student at Soehl Middle School, specifically Mr. McGhee. She sent a letter with staff signatures and student testimonials and parent support to Dr. Tomazic and board members. She shared some of the letter. She would be unable to do her job without the help of Mr. McGhee. He is constant in the students' lives. He goes above and below. The lack of safety is a concern. The number of students who do not feel safe with increase with the absence of Mr. McGhee. He guides the students and participates in all activities. Eliminating this position and taking away Mr. McGhee from the students would be devastating to Soehl M. S. and our Linden community.

Maryann Pirozzoli, Soehl M.S. Secretary
26 Rugby Road
Colonia, NJ

Ms. Pirozzoli said she is disheartened that no one reached out to her about the letter she read last month. She read a letter regarding the position of the Dean of Students. She spoke about the things that McGhee has done to support the students and his role of Dean of Students. She encourages the board to reconsider Mr. McGhee's position as the students would suffer without him.
