A Message from Linden Mayor **Derek Armstead** and Linden City Council President **Michele Yamakaitis**

The Polish-American community is one of the largest and most established ethnic groups in New Jersey. In Linden the Polish-American residents are major contributing members to our community. They are the owners of many of the small businesses, many are helping to redevelop and build houses, office buildings and retail shops. They are a hardworking, highly educated and entrepreneurial people. We are very proud of our Polish friends and neighbors and are excited to celebrate them at our second annual Polish Heritage Festival.

Every October we name Wood Avenue after General Casimir Pulaski and under the umbrella of St. Theresa of the Child of Jesus Church, Linden has one of the largest contingencies that goes to New York City to march in the Pulaski Day Parade. At our annual Halloween Parade we present to our community the Grand Marshall, Miss Polonia and Junior Miss Polonia who represent Linden at the Pulaski Day Parade.

This year again...our Polish Heritage Festival will be to celebrate and honor our Polish-American population and to introduce our other ethnic groups to their customs, culture, food and music. We hope all that attend will have a wonderful time and we look forward to continuing this festival in the future.

'Pulaski Way' street dedication begins at 1:00PM
