

Home-School Compact

School Responsibilities

SCHOOL FIVE will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards.
- Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.
- Provide parents with frequent reports on their children's progress.
- Provide parents reasonable access to staff.
- Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

- See that my child is punctual and attends school regularly.
- Making sure that homework is completed.
- Monitoring amount of television my child watches.
- Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.
- Provide a library card for my child.

Student Responsibilities

We, as students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically, we will:

- Do my homework every day and ask for help when I need to.
- Come to school each day with all supplies needed for learning.
- Practice good citizenship, show respect for myself, my school and other students.
- Give to my parents or the adult who is responsible for my welfare all notices and information received by me from my school every day.

We will work together to carry out this agreement.
