Mrs. Ormon wished Ms. Thomas-Mack many blessings on her retirement. She also mentioned safety as a first priority for our children now that school is open. She encouraged parents to remind children to stay on the sidewalks or they would be ticketed for jaywalking.

Mr. Donelson congratulated Mr. Walters on his presentation and accomplishments of the Technology Department.

Mr. Alvarez wanted to publicly thank Mayor Gerbounka for reading aloud an article at last night's council meeting which indicated the scores in the district have gone up. He thanked Dr. Tomazic, administration, parents and teachers.

Mrs. Hudak wished all the staff and students good luck on the new school year.

Comments from the Public:

Cartayah Hawkins-Reid
730 Jackson Avenue

Twins attend School #5. When she went for orientation, she was told that the pre-k students would be napping on towels on the floor. She asked the teacher about this and it was suggested that the parents contact Ms. Fazio, the Early Childhood Coordinator. Ms. Fazio reached out to the building principal, Ms. White-Bryant. She indicated that the parents can provide sleeping bags. Ms. Hawkins-Reid then spoke to Dr. Robertozzi and he assured her that the students would have mats and mat storage. She was very happy about the turn-around time in hearing back from Dr. Robertozzi. She did not have to wait days. He called her back the very next day. She and the other parents are very grateful and appreciative.

Archie Strazella
1600 N. Stiles Street

He spoke about Cisco Systems and the technology lasting for 25 years. He urged the Board to leave themselves open as technology changes so rapidly. The system will need to be continuously upgraded.

There being no further business to discuss, Mr. Topoleski made a motion to adjourn at 7:45 p.m., seconded by Mrs. Ormon. Voice vote was unanimous.
