NJSBA Delegate:

Mr. Topoleski: Summarized the Government Relations Meeting which was held in Trenton.

UCSBA Delegate:

Mrs. Hudak: Gave a brief report on Union County School Boards meeting last week on the subject of communications in case of an emergency and what a board member's obligation is when it comes to posting on social media.

UCESC Delegate:

Mrs. Villani: No report at this time.

EST for Parents:

Mrs. Beviano: A meeting will be held the first Thursday of every month beginning October 6th at 6:30 p.m., with the exception of November, which will be the first Wednesday, November 2nd.

EST for Students:

Mrs. Birch: The first meeting was held on September 21st in the High School Library. Some of the issues discussed were the student laptops not working properly at home, crossing the street between buildings and the time management involved, lunchroom issues, and housekeeping issues. Many positive issues were also discussed. The next meeting is scheduled for October 17th at the High School Library.

Mrs. Hudak said she would like to see the EST extended to the elementary schools also.

EST for Special Education:

Mrs. Hudak: She will be in touch with Ms. Stefanick, Special Education Director.

Unfinished Business:

None.

Board Member Comments/New Business:

Mr. Topoleski said that by the year 2020, all students must take the PARCC test and by 2021 it will be a requirement for graduation. The State Board of Education President attended the County Board of Education meeting and said that if things are not working out with the test, it can always be revisited.

Mrs. Birch welcomed students and parents back for the new school year. She also wanted to recognize custodian, Leighton Sams. Mr. Sams takes care of School #5 like it's his home. School #5 "shines like the top of the Chrysler Building".

Mrs. Villani thanked Dr. Robertozzi for his leadership in our moment of crisis and for keeping the Board in the loop and getting information out to the Board and parents in a timely fashion throughout the course of the day.

Mrs. Hudak echoed Mrs. Villani in thanking Dr. Robertozzi and thanked the teachers and staff also for keeping our children safe. She is very proud of our district, along with officers and the City of Linden.

Comments from the Public:

George Doney
132 Irene Street

Mr. Doney questioned the purchase of property for the Soehl M.S. parking lot. He said that the property had been purchased for the construction of homes. Dr. Robertozzi responded that the property is to be subdivided.

Omar Ceruto
1309 Prospect Drive

Mr. Ceruto thanked some of the school board members and Dr. Robertozzi for their assistance. His son was involved earlier this month in an incident with a school bus. The bus had become lost. His son was returned home safe and sound at around 9:00 p.m. after leaving school at 2:45 p.m. The problem with the bus contractor has been resolved; however, his real concern is other students within the district still being bussed by this contractor. Parents should have the right to know where their children are at any given time. All busses should be equipped with GPS.

There being no further business to discuss, Mr. Topoleski made a motion to adjourn at 8:00 p.m., seconded by Mrs. Beviano. Voice vote was unanimous.
