COMMENTS FROM THE PUBLIC:

Nicole Harris, Executive Director
Afterschool All Stars

Afternoon All Stars received a grant from the State of New Jersey and opened up a free after school program at McManus Middle School last January. They continued throughout the summer and opened up their first free summer camp at School #1. They are looking forward to partnering again with the Linden Public Schools. She came to tonight's meeting to thank everyone for their support.

Pier Gourdine
1019 Wheatsheaf Road

Her grandson attends School #1. His class has to share a room with another class because their classroom got flooded out. He says it's too distracting. How long is this going to go on? Mrs. Cleary responded and said things should get back to normal next week.

She said that his teacher denied him getting a prize because he did his work too fast, even though all of his work was correct.

Also, aren't all parents allowed to become volunteers in the school, or is that only for certain parents? Some parents received a letter requesting them to volunteer, while others did not. Mr. Shehata said that it would be looked into. Mr. Martucci said that she can always call the Superintendent's Office. Ms. Gourdine said Mrs. Cleary never responds.

Amy Maloney, Teacher
20 Washington Street
Clark, NJ

Ms. Maloney wanted to clarify that all parents were asked to sign up to be volunteers. Only parents who signed up received letters.

Carol Acton
1140A University Terrace

She is concerned about security at football games. Last week an administrator did not have their lanyard on and security let them through anyway.

Charisse Elliott
923 E. Curtis Street

Ms. Elliott said she has two concerns tonight. First, she said she too is concerned about security at the football games. Some of the girls were jumped at Friday's football game. The police did not try to diffuse the situation.

Her second issue had to do with graduation. It is disheartening when it rains and graduation has to be moved indoors and only two parents can attend. No one wants to watch their child graduate by watching a big screen in the auditorium. Can we please come up with a contingent plan?

Eloy Delgado, LEA President
842 Grove Street
Elizabeth, NJ

Members of the Education Association are hard at work this year. There are already 20 FAST community events planned for this year. Working for Linden and the Association makes him very proud. He also thanked the Board for his transfer to the high school.

Lutonya Hunter
733 E. Curtis Street

Her daughter attends Pre-K at School #5. Recently she and her daughter almost got hit by a car in the school parking lot. Parents use the staff parking lot to make U-turns and K-turns. She was wondering if that lot could be closed to cars during drop off and pick up times. Mrs. Cleary said she would speak to Mrs. Scamardella.

Donna Hernandez
133 Princeton Road

She thanked Mr. Gargano for including Marching Band in his monthly report. She has been told that Marching Band is not a sport. She disagrees; they practice in the cold and heat, just like any other sport.

April Hill
136 Morristown Road

She agreed with Ms. Hernandez that the Marching Band should be included in the monthly sports report and she thanked Mr. Gargano.

She also asked if there has been an assessment of the third – fifth grade rotations in the elementary schools. Is it working or not working? Mrs. Cleary responded that according to teacher/staff feedback, some adjustments have been made.

June Lazaro
1301 Kent Place

She was at this morning's job fair and said it was fabulous to see representatives from Linden Public Schools in attendance.

Last month she had commented on the National Society of High School Scholars. She did some research and found that they get the data from the College Boards. She is impressed with the organization. It is a lifetime membership for \$75.00 and offers a wealth of resources.

Finally, she reminded the Board that the Annual Taste of Linden was coming up on October 29th.

BOARD MEMBER COMMENTS/NEW BUSINESS:

Mr. Shehata addressed the football security issue. He said the Athletic Director is on the phone every day trying to get extra security at the games.

He thanked Mrs. Cleary and Mr. Walters for being at all of the Back-to-School Nights in the district. He also thanked the teachers and custodians for staying late.

Mrs. Manganello attended several of the Back-to-School Nights and commended the teaching staff, administrative staff and support staff. She also commended the PTA participants for working very hard. She then gave special recognition to Mrs. Horre and the students who worked at Back-to-School Night last night. They were at every doorway and stairwell to make sure no one got lost.

Mrs. Birch welcomed everyone back and wished everyone a successful school year. Thank you to all of the principals and said it was nice to meet the new staff and see parents at the Back-to-School Nights.

She congratulated the two Elmora Troopers Little League players.

She also welcomed back the PTA and said they are the backbone of our fundraising efforts.

Ms. Johnson gave a report on the Union County School Boards meeting that she attended last night. Dr. Feinsod spoke about “Building a Foundation for Hope” which covers school shootings and student suicides and can be found on the NJSBA website.

Interim Union County Executive School Business Administrator, Karen Dunn and Bibi Taylor, Director, Union County Department of Finance, gave an information session on the budget process for boards of education and overall district security plans for students, staff, administrators, and board members. They also spoke about training for support staff as well as board members.

There will be a briefing for school board candidates on October 2nd from 7 – 9 p.m. if anyone is interested. They also spoke about the legal requirements of becoming a board member.

They received legislative updates and a visit from Assemblyman Bramnick who said he would be more than happy to come and address the Board regarding legislative updates, etc.

Mrs. Johnson also attended the UCESC Meeting on September 4th.

She then addressed renovations at Soehl. She and Mrs. Cleary and Mr. Walters did a walk-through today and she's happy to report that the Maintenance Department has changed their schedule so that they could do more repairs starting next week.

Mr. Gargano urged parents who have daughters in Soehl or McManus to encourage them to join the club "Girls who Code" because it is the technology of the future. He also reported on the Computer Gaming League and indicated that there are two school districts who have followed in our footsteps; Randolph and Morris Plains.

Mrs. Beviano welcomed everyone back to a new school year. She attended several Back-to-School Nights and said the schools look great.

She reminded drivers that when a bus is stopped and has flashing lights and it's stop sign is out, traffic must stop in both directions. Also, if a crossing guard has his or her stop sign out, it means you must stop so that children may cross safely.

She also thanked the principals who allowed the Linden Library at Back-to-School Nights. Because of that, they signed up over 300 new patrons for the Library. They hope to make this an annual event.

Ms. Johnson wanted to give a shout out to a teacher at Soehl that she just met, Jan Macha. His classroom was so inviting and comfortable, she really wanted to stay. Job well done!

Mr. Martucci gave compliments to Mrs. Cleary and her staff, Ms. Gaylord and her staff, every principal, VP, supervisor, director and secretary. There are over 6,000 kids that need to be scheduled. One person does not do it; five people do not do it; everybody does it. Thank you.

Mrs. Cleary congratulated new hire, Matthew Shipe, who was in attendance at tonight's meeting.

Mr. Shehata spoke about Mr. Miranda, Maintenance Supervisor. He said everything that could have possibly gone wrong in every building this summer went wrong and he did an excellent job to fix that and to make sure we were open for day one. Thank you Mr. Miranda!

There being no further business to discuss, Ms. Johnson made a motion to adjourn at 7:54 p.m., seconded by Mrs. Manganello. Voice vote was unanimous.

Business Administrator/Board Secretary
