Summer Soccer Camp

June 28 to July 9

Summer Development Camp will be run by KMSA Sporting Director Kayode Mckinnon and Technical Staff Awal Ahmed. The Camp is aimed with a developmental focus. Players will be put through their paces with a high level of physical and cognitive demands, all based around their ages and stages of development. The primary focus is on the individual physical and technical needs to raise their abilities to complete roles/task, with detail information and actions that are crucial to the implementation of the expectations in the game. This knowledge is important in all aspects of the game that must be applied in the different areas of the field, to maximize the chances of success. Players will be placed in objective moments and reality-based situations that replicate the game.
